**Member: \$35.00 ■ Nonmember: \$45.00**

**PURCHASE FROM TEACHER:**  
**Pattern Required: \$15.00**  
**Acrylic Template Optional: \$25.00**

Hi! Let's do this thing! Let's build an awesome quilt together. Please click on the links below, one for the Supply List and one to print the information in this article.

**Here are some guidelines:**

1. In order to understand how to design this quilt, please bring a range of ½ yard and 1 yard pieces. Bring a few more than you think you will need. For instance, the lap size requires 10 fabrics, minimum...We can use way more than that.
2. I also encourage you to NOT CUT OUT THE FABRIC BEFORE THE WORKSHOP. Part of the class is learning how to mix and match large scale prints. If you do "prep" work beforehand, you will be stuck with the fabrics you chose.

**Pattern Required to take the workshop...Acrylic Template is optional:**

1. To purchase beforehand, place an order at [crimsonstate.com](http://crimsonstate.com) and choose "in-store pick-up". Please e-mail me after you have placed your order and I will bring the pattern and/or template with me. Or, you may choose for your order to be shipped to you.
2. You may purchase your pattern and/or template the day of the workshop.
3. NOTE: The acrylic template is not required but you will find that it is super helpful for cutting out the oversize pieces. The paper pattern contains a graphic of the template. Please bring template plastic or cardboard roughly cut to a 20" square to make your template. I will have some acrylic templates available for students to use during the workshop as well as bring some for sale.

**You may register at the Tuesday, February 25, KPQG Membership Meeting or contact Monica at [msequilter@msn.com](mailto:msequilter@msn.com) by Tuesday, March 17. Please put in the subject line: Succulent Gardens.**
