Don't forget to renew your membership. Dues are \$30 a year.

You may pay at the meeting or you can send payment to Ann Abel, 2400 Rogue Dr., Kokomo, in 46902

The "Quilt Sisters" program is designed to pair experienced guild members with new members to help make them feel welcome: answer any questions about guild activities and quilting in general. This program is available to any new member

who chooses to take advantage of the program but it is not a requirement to become a member.

Sharon Morkal will head up this program.

Quilts Along the Wildcat 2021 Video now Posted

A video of our recent quilt show is now posted on You Tube and the guild's Facebook page. The video is 17+ minutes long. In order to access the video on You Tube, you must use this link:

[https://](https://www.youtube.com/watch?v=w461fO_2VKw)

www.youtube.com/watch?v=w461fO_2VKw

The video is not currently posted for public access. I may change this in the future and make the video accessible to anyone, but I will wait until members have had a chance to view the video in case anyone objects to it being available to the public.

Any member who wants a copy of the video on a DVD must let Ann Abel know. She will make a copy for those people. Otherwise, you can access the video online.

Show us what you do or learn something new!

Bring something for show and tell, attend workshops, or donate a quilt and be entered into a drawing for a free membership.

Drawing at the Christmas Party in early December. Show and tell is a favorite part of our meeting. Please share your projects.

9 Patch Block of the Month

Good afternoon quilters. We are ready to start a new Block of the Month activity for KPQG. Each month will be a different variation on a 9 patch block and fabric requirements for you to create. You will turn in your block and receive a chance to win blocks to create a quilt of your choice or maybe a donation quilt. I suggest you also make a block for yourself with your own colors choices to be made into a 9 patch sampler at the end of the year. We will have a sew-in to complete the quilt with suggestions for sashing and borders.

I know lots of you have made 9 patch blocks before and this may not be challenging for you, but it is fun to see everyone's ideas of the same directions. We will start simple and progress as the year goes on. For this February block, use your favorite red and white to make a traditional 9 patch block. The squares should be cut 4 1/2 inches. The simple 9 patch block will measure 12 1/2 by 12 1/2 inches that sews to finished 12 by 12 inches.

Turn in this red and white block at the February meeting/ I will have directions and picture for the March block. Please join us and have fun.

The Guild's last picture directory of members was published in 2018, so it is time for a new directory. I will be taking pictures of members at the February and March meetings with plans to publish a new directory in April.

If your picture is in the 2018 directory, I will plan to use it unless you ask me to take a new picture. If you will not be able to attend the February or March meeting, you may email a picture to me (head and shoulders shot) at aaabel56@aol.com.
